

Innovation, Advancement, and All That Jazz!

Exhibitor Space, Sponsorship, & Promotional Information

July 28 – July 31, 2024 • The NOPSI Hotel • 317 Baronne St, New Orleans, LA 70112

We invite you to join IPAC in New Orleans, LA during our annual conference.

Your organization has the opportunity to build connections with top professionals, academics, and talent in HR, I/O Psychology and related fields. The typical IPAC conference attendee breakdown includes: 34% from private companies (mostly consultants), 34% from local governments, 15% from federal government agencies (domestic and international), 11% academics, and 6% state or regional governments.

IPAC is the leading organization of applied Human Resources selection and assessment professionals, with members actively engaged in practice, research, and training to meet the needs of both public and private sector organizations.

We are offering four (4) exhibitor sponsorship levels: Platinum, Gold, Silver, and Bronze. Each level offers various options to highlight and represent your organization. We also have two (2) non-exhibitor sponsorship levels (IPAC Champions and Stars) – to elevate your organizations profile, even if you cannot host an exhibitor table at the conference.

Without IPAC sponsors, we would not be able to provide an annual conference for our members and friends. So, thank you; we appreciate your support and hope to see you and your organization in New Orleans, LA!

2024 IPAC Conference Chair,

Emilee Tison
